**“Marketing is no longer about the stuff you make or services you offer, but about the stories you tell.”**

# Welcome to flipp

flipp is a full-service marketing, digital and web agency with over two decades experience. We have become experts in providing award-winning marketing services that include brand development, strategic thinking, tactical marketing campaigns, digital communications, web and design.

We hold ourselves to the highest standards of excellence. Our ethos demands that we constantly question and consult with our clients to ensure that the work we produce meets their specific needs and adds value to their business.

## Finding the most cost-effective solutions

We believe in delivering results through the most appropriate marketing mediums available and are committed to finding the most cost-effective solutions for our clients without compromising on quality or creativity.

At the heart of our approach is a belief in open communication and collaboration between client and agency. We know that the best marketing comes from a deep understanding of our clients' businesses and goals, and we work tirelessly to foster strong relationships built on mutual trust and respect.

## Top-notch results that drive business

At flipp, our team is passionate about delivering top-notch results that drive business growth. Whether it's online or offline, we work across every format to create stunning designs for brands and businesses of all shapes and sizes.

With our razor-sharp commercial focus, we ensure that every project is not just visually appealing but also delivers tangible results.

# flippin great design is our mantra

**W**e are one of the top independent agencies in the UK, working with our clients to communicate their story and catering to various sectors including health, fitness and wellbeing, technology, professional services, retail services, financial services and general business.

We offer a wide range of services that will ensure your story resonates with your customers, such as brand strategy and identity development, digital communications, advertising campaigns, content marketing solutions, literature design, promotional activity management as well as website development and event planning.

We serve businesses of all sizes with creative and innovative solutions that drive success.

**“We are all storytellers.  
We all live in a network  
of stories. There isn’t  
a stronger connection  
between people  
than storytelling.”**
